WHO WE ARE

Since 1961, the Staunton Redevelopment & Housing Authority has been committed to **providing safe, affordable housing while opening doors to opportunity.** We believe housing is more than a roof over your head; it's a foundation for security, stability, growth, and dignity. As a political subdivision of the Commonwealth of Virginia, we operate under Title 36 of the Code of Virginia.

WHAT WE DO

We connect residents with affordable housing options and resources to help them thrive. We build pathways to self-sufficiency and economic mobility, including:

- Managing Multifamily Apartments and Housing Choice Vouchers (Section 8)
- Participating in HUD's Moving to Work (MTW) program for added flexibility in serving residents
- Partnering with local organizations to bring services like food access, health care, workforce training, financial literacy and academic services directly to our communities.
